SAVE THE DATE!

J-Craft, Inc. is turning 35 years young this year, and to thank YOU, our Loyal Customers, we will be having an Open House!

Date: Thursday, October 24, 2013

Time: 12:00 noon - 4:00 pm

Location: J-Craft, Inc. Facility
52182 Ember Road
Lake Crystal, MN

Please join us at the J-Craft Open House to see some great products, have some great food, and celebrate J-Craft's 35 years in business!

We will have product demos on site, as well as Sales, Engineering and Manufacturing personnel to answer your questions and show you the latest and greatest J-Craft equipment. We will also be running tours through the production facility so you can see first-hand the ISO 9001:2008 certified process J-Craft uses to build your equipment!

Hope to see you all there!

J-CRAFT OFFERS COMPLETE LINE OF VARITECH TANKS!

J-Craft is proud to offer Varitech Industries ® Tailgate Tanks and Elliptical Series truck-mounted tanks. Built right here in Minnesota, these tanks are heavy duty, yet light enough to keep the weight of your vehicle down!

The Tailgate series of tanks are designed for medium and heavy duty truck pre-

wetting applications, and are capable of applying liquids of all specific gravities. These tanks can be used in manual, open-loop and closed-loop pre-wetting applications.

Elliptical side mounted tanks are available for single and tandem axle bodies. Elliptical side mounted tanks give you maximum hauling capacity, and can be removed for summer use. These tanks can be also used in manual, open-loop and closed-loop pre-wetting applications.

For more information on which front is right for your application, please contact J-Craft Sales at (800) 763-6017 or email us at Sales@J-Craft.com.
